**RWOYA Membership Application**  
**For Current, NEW & Associate Members of RWOYA**

Please Answer the Following Questions:

1. Are you a Republican? Yes  No

*As a member of RWOYA, it is imperative that your voting records reflect that you are a Republican and have voted as a Republican in the last primary. Voting for any other candidate other than a Republican candidate could result in removal and denial as a member of RWOYA. Your voting record is public record; RWOYA reserves the right to check with the county to review your voting record if deemed necessary by the Exec. Board.*

2. Are you a resident of county Gonzales, Lavaca, or DeWitt? Yes  No

\*If answered No: Why have you chosen to join RWOYA rather than the local club in your county?

---

---

---

3. Have you, in the last 4 years, been known or reported to, have supported a Democrat Party candidate in any race (even when unopposed)? Yes  No

*This would include support through social media, yard signs, campaign contributions or public support. Such support will result in removal or denial as a member of RWOYA if deemed necessary by the bylaws of TFRW and RWOYA.*

4. Have you ever been, or are you currently, a member of another TFRW supported club organization? Yes  No

\*If answered Yes, please list the names of the TFRW supported organizations, and why you decided to leave?

---

---

---

*If still a member, our rules require that you drop your membership of the other club or change your membership request to a level of Associate Member in RWOYA. No lady may be a member of two or more TFRW clubs. However, a lady may be an associate member of multiple of clubs.*

5. Will you promise to uphold the values of RWOYA and actively work to help our club prosper by keeping dues current, attend meetings regularly and joining a committee of your choice to help promote voter education in the noted counties, Gonzales, Lavaca, and DeWitt?

Yes  No
